I am a minibombo book: a little book buzzing with a big idea. If you have always wanted a pet, but your parents have never let you ... this is the book for you. Because, inside the pages of this book, your new cat awaits. Isn't he sweet? Just look at him twitch his tiny nose! As a pet-owner, it's your job to wake him up (call out his name), softly stroke his back (with your finger) and shelter him from the rain (your hand makes a great umbrella!). It's quite hard work - phew! - but it's so much fun. From minibombo, the creators of The White Book and Black Cat, White Cat comes a playful picture book that cleverly encourages you to interact with the physicality of the page itself, and a book that will, with the help of your imagination, bring a purr-y, fluffy cat to life. Miaow! Check out minibombo.com to find plenty of fun ideas for playing and creating inspired by this book! An interactive concept book for all cat lovers! Will appeal to fans of Hervé Tullet's Press Here, Richard Byrne's This book just ate my dog! and Mo Willems' Pigeon books Look out for The Dog Book and The Hamster Book - the other titles in the Paper Pets series

Dinosauri. Il libro dei giochi. Con adesivi. Ediz. illustrata

The teachings of the Native Americans provide a connection with the land, the environment, and the simple beauties of life. This collection of writings from revered Native Americans offers timeless, meaningful lessons on living and learning. Taken from writings, orations, and recorded observations of life, this book selects the best of Native American wisdom and distills it to its essence in short, digestible quotes — perhaps even more timely now than when they were first written. In addition to the short passages, this edition includes the complete Soul of an Indian, as well as other writings by

Ohiyesa (Charles Alexander Eastman), one of the great interpreters of American Indian thought, and three great speeches by Chiefs Joseph, Seattle, and Red Jacket.

Rebelde the snail can't stop asking his fellow molluscs awkward questions, starting with: why are we so slow? When he is finally banished from the snail community because of this, he is forced to travel the world alone. As he explores in his slow snail-like way, Rebelde makes new friends and goes on plenty of adventures, gaining wisdom from every new encounter. But when he finds out his friends are in danger, he decides to rush home to warn them. Will he get there in time to save them? Luis Sepúlveda's bestselling *The Story of a Snail Who Discovered the Importance of Being Slow* is a wonderful ode to diversity and unity, celebrating the importance of being slow in a world obsessed with speed.

The perfect story for anyone who's ever felt overshadowed. One little girl dreams of being a star. But whether it's finding Mom's lost wedding ring or winning the costume prize, her big sister always shines brighter. In her grandfather's eyes, though, she is a star. As he dries her tears and they both gaze up at the night sky, he tells a story about how everything and everyone is made of stardust and we all shine in different ways. With illustrations from new talent Briony May Smith, this is a touching story about being true to yourself from award-winning author Jeanne Willis.

In this funny chapter book from the bestselling middle grade adventure series, time travel to ancient civilizations with a beloved mouse journalist. Imagine my surprise when I, Geronimo Stilton, was offered the chance to travel back in time again! Professor Paws von Volt entrusted me to lead my family on a secret journey in his new time machine. This voyage took us to ancient Rome, to the great Maya Empire, and to the Palace of Versailles during the age of the Sun King! Along the way I competed in a scary chariot race, saved some mouselings from a hungry jaguar, and was forced to organize a huge party for the king who had everything. What a wild trip through history! Praise for Geronimo Stilton's books: "Lightning pace and full-color design will hook kids in a flash." —Publishers Weekly

The Story of a Snail Who Discovered the Importance of Being Slow

Rare edition with unique illustrations. Hans Christian Andersen was a Danish author best known for writing children's stories including "The Little Mermaid" and "The Ugly Duckling." But he didn't just write short stories, and his intended audience wasn't restricted to children. In addition to his fairy tales, Andersen wrote poems, plays, novels, travel books, essays, and more. He hungered for recognition at home (Denmark) and abroad-and he got it! Eventually. Today, his stories can be read in over one hundred languages. But no matter what language they're in, Andersen's tales have got something for everyone. In them, you'll find beauty, tragedy, nature, religion, artfulness, deception, betrayal, love, death, judgment, penance, and-occasionally-a happy ending. They're complex tales, but since Andersen himself was pretty complex, we like to think that art imitates life. Or something like that. "The Ugly Duckling" is a literary fairy tale by Danish poet and author Hans Christian Andersen. The story tells of a homely little bird born in a barnyard who suffers abuse from the others around him until, much to his delight (and to the surprise of others), he matures into a beautiful swan, the most beautiful bird of all. The story is beloved around the world as a tale about personal transformation for the better.

Shortlisted for the Junior Science Book Award (now the Royal Society's Science Prize).

Molecules of Emotion

Lucas was convinced he was born to fly. He spent hours watching birds and airplanes in flight and tried to design his own sets of wings -- many times. But each time they failed. He wrote letters to Santa, pleading for help, but was disappointed with the toy wings and capes he received. Then one day, something magical happened, without him even knowing it. His mother put a book in his hands -- and Lucas began to fly. And fly. And fly. Both a delightful story and a celebration of the wonder of books and their power to transport us to places beyond our imagination. Ages 4 to 8. Hardcover picture book with dust jacket. Full color throughout. 42 pages. 8-3/4 inches wide by 11-3/4 inches high. Rocio Bonilla was born in Barcelona, Spain, and received her Bachelor of Fine Arts degree from the University of Barcelona. She has worked as a photographer, painter, and teacher, and now spends most of her time illustrating books and painting children's murals. As a mother of three, she is continually fascinated by the unique and extraordinary universes that children create, as well as their enormous willingness and generosity to share them with others.

Tip the Mouse Doesn't Want to Eat

This "I Spy" book takes children through a spooky old house at night where they search for spooky items. Children look for bats, lizards, frogs, owls and tombstones. From its rickety gate to its cobwebbed attic, this haunted house contains 13 spooky environments. Readers will marvel at Walter Wick's beautifully executed photographs as they travel through each enchanting scene and solve the rhyming riddles, reading the story along the way. Over two million "I Spy" books have been sold to date.

John Alcorn

Children love using the beads to solve problems in these books. With the concepts they learn, they are ready to apply their skills about the house. We help the Counting Kids to add and to subtract.
