The Delegate from New York, Or, Proceedings of the Federal Convention of 1787

John Lansing attended the Constitutional Convention as delegates from New York. His heirs discovered his notes among his papers, they were not published until 1939. They provide a rich new primary source record for scholars of the Convention. Only in Lansing's notes do we find a report of Constitutional questions regarding states' rights.

Delegate from New York

The Anti-Federalist Luther Martin of Maryland is known to us—if he is known at all—as the wild man of the Constitutional Convention: a verbose, frequently drunken radical who annoyed the hell out of James Madison, George Washington, Gouverneur Morris, and the other giants responsible for the creation of the Constitution in Philadelphia that summer of 1787. In Bill Kauffman's rollicking account of his turbulent life and times, Martin is still something of a fitfully charming reprobate, but he is also a prophetic voice, warning his heedless contemporaries and his amnesiac posterity that the Constitution, whatever its devisers' intentions, would come to be used as a blueprint for centralized government and a militaristic foreign policy. In Martin's view, the Constitution was the tool of a counterrevolution aimed at reducing the states to ciphers and at fortifying a national government whose powers to tax and coerce would be frightening. Martin delivered the most forceful and sustained attack on the Constitution ever levied—a critique that modern readers might find jarringly relevant. And Martin's post-convention career, though clouded by drink and scandal, found him as defense counsel in two of the great trials of the age: the Senate trial of the impeached Supreme Court justice Samuel Chase and the treason trial of his friend Aaron Burr. Kauffman's Luther Martin is a brilliant and passionate polemicist, a stubborn and admirable defender of a decentralized republic who fights for the principles of 1776 all the way to the last ditch and last drop. In remembering this forgotten founder, we remember also the principles that once animated many of the earliest—and many later—American patriots.

Secret Proceedings and Debates of the Convention Assembled at Philadelphia

These wills of members of the English Royalty from William the Conqueror through Henry VII are in their original language and often have brief introductions, annotations and postscripts in English. With a Glossary and "Additional Observations and Corrections." x, 434 pp. Originally published: London: J. Nichols, 1780. "This series of miscellaneous and different wills presents us with many curious particulars. We learn from them more of the manners and private life of our illustrious ancestors, some new facts in their public history, and several new descents in their pedigrees. The prospect of death sets their lives in a new point of light." --Preface, v

Secret Proceedings and Debates of the Convention Assembled at Philadelphia

Ford, Paul Leicester [1865-1902]. *Bibliotheca Hamiltoniana. A List of Books Written by, or Relating to Alexander Hamilton*. New York: Printed for the Author The Knickerbocker Press, 1886. vi, [80] pp. (irregular pagination). Reprinted 2003 by The Lawbook Exchange, Ltd. ISBN 1-58477-285-9. Cloth. \$85. * Contains Alexander Hamilton's official and unofficial writings and those relating to him, arranged chronologically under the date of the first edition, with principal locations noted. With a useful chronological bibliography of all editions of *The Federalist*, with collation. Alexander Hamilton [1755-1804] was Secretary of the Treasury under George Washington, and author, along with John Jay and James Madison, of the influential collection of political essays, *The Federalist*. During his short lifetime Ford was a historian and historical novelist as well as a noted and prolific bibliographer of Americana and editor of *Autobiography of Thomas Jefferson, 1743-1790*. *Dictionary of American Biography III*: 518-520.

Forgotten Founder, Drunken Prophet

Field, Oliver P. *The Effect of an Unconstitutional Statute*. Minneapolis: University of Minnesota Press, 1935. xi, 355 pp. Reprinted 2002 by The Lawbook Exchange, Ltd. LCCN 2001022508. ISBN 1-58477-181-X. Cloth. \$80. * State and federal courts have a long history of deeming statutes unconstitutional. Although there have been a number of treatises on the nature of judicial review, this volume treats the issue of the results of a statute deemed unconstitutional. "The varying meanings of the process of 'declaring a statute unconstitutional' or unenforceable, the meaning of 'unconstitutionality,' the legal effect of the tainted statute or its defective part, and of the decision branding it, are the subject matter of this scholarly and effective book." Edwin Borchard, *Yale Law Journal* 45:1533. Marke, *A Catalogue of the Law Collection at New York University* (1953) 397-398.

Secret Proceedings and Debates of the Convention assembled at Philadelphia, in the year 1787, for the purpose of forming the Constitution of the United States of America. From the notes taken by the late Robert Yates ... and copied by John Lansing ... Including "The Genuine Information" laid before the Legislature of Maryland by Luther Martin ... Also, other historical documents relative to the Federal compact of the North American Union

This book contains James Madison's notes on the debates which provide a first-hand view of the drafting of the nation's fundamental charter. An introduction by Solberg places the origins of the Constitution in the broader historical perspective of the development of political theory and constitutional practice in Western civilization. The book also links the formation of the Constitution to the events of the American Revolution from the Stamp Act Crisis to the Bill of Rights. Solberg provides background on the ratification of the Constitution, biographical sketches of each participant in the Philadelphia Convention, and population figures on which representation was to be based. - Back cover.

Secret Proceedings and Debates of the Convention Assembled at Philadelphia, in the Year 1787

Marke, Julius J., Editor. *A Catalogue of the Law Collection at New York University With Selected Annotations*. Cloth. \$195. * Reprint of the massive, well-annotated catalogue compiled by the librarian of the School of Law at New York University. Classifies approximately 15,000 works excluding foreign law, by Sources of the Law, History of Law and its Institutions, Public and Private Law, Comparative Law, Jurisprudence and Philosophy of Law, Political and Economic Theory, Trials, Biography, Law and Literature, Periodicals and Serials

and Reference Material. With a thorough subject and author index. This reference volume will be of continuous value to the legal scholar and bibliographer, due not only to the works included but to the authoritative annotations, often citing more than one source. Besterman, *A World Bibliography of Bibliographies* 3461.

A Collection of All the Wills, Now Known to be Extant, of the Kings and Queens of England, Princes and Princesses of Wales, and Every Branch of the Blood Royal, from the Reign of William the Conqueror, to that of Henry the Seventh Exclusive

This volume presents a varied sampling of the author's writings from the past sixty years, along with some previously unpublished materials. It begins with a long prologue that the author calls a literary autobiography, and this story is continued and amplified in introductory notes that accompany each of the following items. the relationship between Delaware and the city of Philadelphia. This theme reappears in many guises in the background of other items as, for example, in a summary of New Castle's history, in an investigation of an experiment in nonresident representation in Congress, and in explanation of the unique importance of an early Wilmington collector of customs. In the last essay, previously unpublished, the relationship is personalized in a reminiscence contributing to the autobiographical theme with which the book began. at the University of Delaware.

Founding Fathers

Lance Banning's powerful and persuasive reexamination of Madison's thought at the critical early and central stages of his career now changes that presumption, and provides a new base from which thinking about Madison and the Founding must start.

Bibliotheca Hamiltoniana

This collection of essays is intended for both the general reader and the specialist and is designed to provide the basic elements needed for an introductory survey and a reference aid to the role of New York State in the adoption of the federal Constitution. The collection is organized into five sections: theory, history, materials, people and places, and chronologies. The essays include: "The U.S. Constitution and the American Tradition of Constitution-Making" (Daniel J. Elazar); "The Ends of Federalism" (Martin Diamond). "The Constitution of the United States: The End of the Revolution" (Richard Leffler); "New York: The Reluctant Pillar" (John P. Kaminski); "A Guide to Sources for Studying the Ratification of the Constitution by New York State" (Gaspere J. Saladino); "Fiction--Another Source" (Jack VanDerhoof); "A Biographical Gazetteer of New York Federalists and Antifederalists" (Stephen L. Schechter); "A Preliminary Inventory of the Homes of New York Federalists and Antifederalists" (Stephen L. Schechter); and "A Guide to Historic Sites of the Ratification Debate in New York" (Stephen L. Schechter). The volume concludes with two chronologies, entitled respectively: "A Chronology of Constitutional Events during the American Revolutionary Era, 1774-1792"; and "A Chronology of New York Events, 1777-1788." (DB)

The Effect of an Unconstitutional Statute

George Mason (1725-92) is often omitted from the small circle of founding fathers celebrated today, but in his service to America he was, in the words of Thomas Jefferson, "of the first order of greatness." Jeff Broadwater provides a comprehensive account of Mason's life at the center of the momentous events of eighteenth-century America. Mason played a key role in the Stamp Act Crisis, the American Revolution, and the drafting of Virginia's first state constitution. He is perhaps best known as author of the Virginia Declaration of Rights, a document often hailed as the model for the Bill of Rights. As a Virginia delegate to the Constitutional Convention in Philadelphia, Mason influenced the emerging Constitution on point after point. Yet when he was rebuffed in his efforts to add a bill of rights and concluded the document did too little to protect the interests of the South, he refused to sign the final draft. Broadwater argues that Mason's recalcitrance was not the act of an isolated dissenter; rather, it emerged from the ideology of the American Revolution. Mason's concerns about the abuse of political power, Broadwater shows, went to the essence of the American experience.

The Constitutional Convention and the Formation of the Union

Through an intensive study of party origins in the state of New York, this volume reexamines and reevaluates the whole of the Democratic Republican movement. It will compel changes in present

concepts of anti-Federalist and Republican connections with banking, mercantile, land-speculation, and manufacturing interests. Originally published in 1967. A UNC Press Enduring Edition -- UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original, and are presented in affordable paperback formats, bringing readers both historical and cultural value.

A Catalogue of the Law Collection at New York University

James, Eldon Revare. *A List of Legal Treatises Printed in the British Colonies and the American States Before 1801*. Cambridge, Mass.: Harvard University Press, 1934. 52 pp. Reprinted 2002 by The Lawbook Exchange, Ltd. ISBN 1-58477-143-7. Cloth. \$50. * A bibliography of items published in the British colonies and the United States between 1687-1800, organized by date with complete title page transcriptions. During these years most law books were printed for the benefit of the officer or layman who was called upon to act in a legal capacity. Therefore legal manuals, formbooks, pocket-books, young clerk's vade mecums, justice of the peace manuals, the Conductor Generalis and the like provided the legal sources of the time. This bibliography contains occasional annotations regarding the various printings. Originally published in Harvard Legal Essays.

The Philadelwareans, and Other Essays Relating to Delaware

This collection of essays by the eminent historian Joseph Strayer makes available in one volume his important shorter studies on the central theme of the political, constitutional, and institutional history of France and England in the twelfth and thirteenth centuries. Originally published in 1971. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

The Sacred Fire of Liberty

Few events in the history of the United States were of greater consequence than the Constitutional Convention of 1787. Although most histories have focused on the issues and compromises that dominated the debates, the exchanges were also shaped by the dynamic personalities of the fifty-five delegates who attended from twelve of the thirteen states. In *The Men Who Made the Constitution*, constitutional scholar John R. Vile explores the lives and contributions of all delegates to the 1787 Constitutional Convention, including those who left before the Convention ended and those who stayed until the last day but refused to sign. Each biography records the delegate's birth, education, previous positions or public service roles, homes, family life, life after the Convention, death, and resting place. Drawing directly from Convention debates and a vast array of secondary sources, Vile covers the positions of each delegate at the Convention on both major and minor issues and describes his service on committees and afterward at state ratification conventions. *The Men Who Made the Constitution* includes a bibliography of key sources, engravings of delegates for whom portraits were created, a quiz on key facts, and a transcript of the Constitution of the United States. This work is the perfect reference for students and scholars, as well as professional and amateur historians, of colonial and early American history, constitutional law, and American jurisprudence.

The Reluctant Pillar

The Encyclopedia of New York State is one of the most complete works on the Empire State to be published in a half-century. In nearly 2,000 pages and 4,000 signed entries, this single volume captures the impressive complexity of New York State as a historic crossroads of people and ideas, as a cradle of abolitionism and feminism, and as an apex of modern urban, suburban, and rural life. The Encyclopedia is packed with fascinating details from fields ranging from sociology and geography to history. Did you know that Manhattan's Lower East Side was once the most populated neighborhood in the world, but Hamilton County in the Adirondacks is the least densely populated county east of the Mississippi; New York is the only state to border both the Great Lakes and the Atlantic Ocean; the Erie Canal opened New York City to rich farmland upstate . . . and to the west. Entries by experts chronicle New York's varied areas, politics, and persuasions with a cornucopia of subjects from environmentalism to higher

education to railroads, weaving the state's diverse regions and peoples into one idea of New York State. Lavishly illustrated with 500 photographs and figures, 120 maps, and 140 tables, the Encyclopedia is key to understanding the state's past, present, and future. It is a crucial reference for students, teachers, historians, and business people, for New Yorkers of all persuasions, and for anyone interested in finding out more about New York State.

George Mason, Forgotten Founder

Vols. 4-38, 40-41 include Record of political events, Oct. 1, 1888-Dec. 31, 1925 (issued as a separately paged supplement to no. 3 of v. 31-38 and to no. 1 of v. 40).
