Tasha signed a piece of paper which gave her a chance to win a free air plane ride.

People would smoke in their houses, and very young children would inhale the smoke that was in the air.

It wouldn't be fair for a nonsmoker to get lung cancer because they had to be in a place where smokers were allowed to light up.

For Christians, the Easter holiday celebrates the death of Jesus Christ, who died for the benefit of all people.

There are two very important days that make up the Easter holiday, which occurs during the spring season.

For Christians, Easter is the most solemn holiday of the year.

One of the traditions associated with Easter is the painting of Easter eggs.

People take chickens' eggs, make them hollow, and then paint them with beautiful colours.

Another Easter tradition is the Easter Bunny.

According to tradition, the Easter Bunny is a magical rabbit that visits the homes of children on the night before Easter Sunday.

We saw slithery snakes.

Career Choices

An important holiday in North America is held during the fall, or autumn, season of the year.

At this time of year, people join with their relatives to reflect upon their good fortune.

It was first celebrated when English settlers arrived in the eastern part of what is now the United States during the seventeenth century.

The reason for the earlier celebration in Canada is that the weather is colder than in the United States.
