#### Wiley CPAexcel Exam Review 2014 Study Guide

A CPA exam guide written specifically for international students The US CPA qualification exam is the most popular professional accounting qualification not just in the United States, but around the world as well. As international testing centers open across the globe, increasing numbers of non-American students are taking the exam, but lack a study resource written specifically for them. Author Stephanie Ng passed the exam in less than a year and operates a popular exam test-prep website at IPassTheCPAExam.com. In How to Pass the CPA Exam, Ng explains her techniques and study tactics specifically for students outside the United States. A comprehensive and practical study guide for CPA exam students outside the United States Written by the operator of a highly popular test-prep website for international students Includes practical and effective test-prep resources Packed with smart advice presented from an international perspective, How to Pass the CPA Exam is a must for international students preparing for the test.

#### Wiley CPAexcel Exam Review 2018 Study Guide

Provides a brief statement of purpose, chapter checkpoints, study tips, chapter outlines, key terms definitions, and true/false, multiple choice, and short essay questions for each chapter. Each part has optional integrated questions and a sample test bank of twenty cumulative test questions. The Study Guide also includes a CPA exam business law review.

#### Wiley CPAexcel Exam Review 2015 Study Guide (January)

Each year, over 120,000 CPA exam candidates continue to attempt to pass the CPA exam. It is a stressful event in the life of an accountant, and the stress goes beyond just the knowledge and the exam itself because of the high percentage (85%), of first time students who fail. This book discusses what really happens at the CPA exam and how the candidate can better control the outcome. It provides the expert guidance on the techniques needed to pass today's CPA exam.
